

GED 2016

Gifted Education Day

- DATE: Friday, January 29, 2016 (a no-school day)
- TIME: Depart Mountlake Terrace 7:00am
Estimated Return by 4:00pm
- WHERE: State Capitol Building in Olympia, WA
- WHO: Parents, Students, Teachers and Administrators of
Edmonds School District Highly Capable Programs

Gifted Education Day is an annual event scheduled by the [Coalition for Gifted Education](#). CPA is organizing a group of families to take a daytrip to Olympia. Together, we learn about current education legislation, tour the [Capitol](#), and meet personally with legislators to voice support for programs for gifted and highly capable students. We'll take time out for a brown-bag lunch and (weather permitting) hike down the [Heritage Park Hillside Trail](#) to Capitol Lake before hitting the road to come home. CPA connects its members with their district legislators and provides background information and specific talking points with the help of the Coalition.
